

Discovery

If you want to learn more about God and your faith, and you like to learn by *sharing experience, doing, or seeing and hearing* then **Discovery** is for you.

Discovery has 6 modules over two years

- ⇒ You, me and God
- ⇒ Coming closer to God
- ⇒ Oh God, why?
- ⇒ Jesus and the first Christians
- ⇒ Back to our roots
- ⇒ Watch this space!

A Christian Discipleship Training Course for people who prefer to learn together about God from each other's experience.

Discovery covers similar ground to the new Journey in Faith Course run by the East Midlands Training Partnership, but it does it more gently, taking two years instead of one.

Discovery will stretch and challenge—there are no text books (except for the Bible!) and no essays to write, but a creative learning log is kept.

Discovery is accepted by the Diocese as equally valid compared to other types of training for those who want to go on to Authorised Lay Ministries.

We are hoping to start **Discovery** in September 2011. Please fill in the reply slip opposite if you're interested.
