

CELEBRATE THE LIGHT

(The Leicester Diocesan Song to celebrate the 2012 Games)

At the very start of time and space
You made the world and human race
You cried out let there be light
To separate day and night

*Celebrate, celebrate, celebrate the wonderful light
Celebrate, celebrate, celebrate the wonderful light*

That light has shone since that day
It guides our paths and shows the way
We see this light in Jesus your Son
So let us help to pass it on

*Celebrate, celebrate, celebrate the wonderful light
Celebrate, celebrate, celebrate the wonderful light*

So let our lights shine in the world
In every boy and every girl
United as the lights shine bright
Making such a glorious sight

*Celebrate, celebrate, celebrate the wonderful light
Celebrate, celebrate, celebrate the wonderful light*
