

**Mailing List of Potential Inspectors
for the Diocese of Leicester**

In order to help the members of the PCC understand the historic building of which they are the guardians and to look after it to the best effect, it will be necessary to appoint a suitably experienced and qualified professional to undertake the Inspection. The DAC has prepared a Guidance Note to assist PCCs in the process of appointing their inspector. This is entitled GUIDANCE NOTE ON THE APPOINTMENT PROCESS FOR QUINQUENNIAL INSPECTORS and can be found on the diocesan website on the Quinquennial Inspections page (<https://leicester.anglican.org/quinquennial-inspections/>) will provide the PCC with guidance on how to go about this and also the advice from the CBC about the sort of experience, background and accreditations that make for an appropriate Inspector appointment for each church depending upon its listing grade.
